RE: Google Inc. NetPAC Amended 12 Day Pre-General Report (10/1/2010 - 10/13/2010)

Dear Ms. Colucci:

This Form 99 Miscellaneous Report is being filed in response to the April 8, 2011 letter from the Federal Election Commission (the Commission) with respect to Google Inc. NETPACs (the PAC) Amended 12 Day Pre-General Report (10/1/2010-10/13/2010). Specifically, the letter from the Commission requests an explanation for the additional \$17,300.00 in receipts that were included in the PACs Amended Pre-General Report. Subsequent to the filing of the PACs original Pre-General Report, it came to the attention of the individuals responsible for recording PAC receipts and preparing, reviewing and filing the PACs FEC reports, that seven individuals had authorized charges to their credit cards for donations to the PAC during the Pre-General reporting period, but were not included on the PACs original Pre-General Report. The authorizations occurred on October 12, 2010 (one day before the end of the reporting period) and totaled \$17,300.00. An amendment to the PACs Pre-General Report was filed to disclose these contributions that were inadvertently omitted from the original report. Be assured, it is the practice and policy of Google, Inc. to disclose fully and accurately the activity of its PAC and to comply with all Federal laws and regulations governing its political activity.

Sincerely,

Johanna Shelton  
Treasurer  
Google Inc. NetPAC
